## President News Bulletin #4

The purpose of this Bulletin is to keep the FOE members up to date of our rebuilding progress and to inform the Aerie on other matters.

### 1. New Hall Status

By the time you receive this bulletin all the kitchen & bar equipment should be in place. This will include the walk in cooler - icemaker and stove etc.

The new aerie hall is 95% completed but, still must be inspected by the State and Health Dept. prior to use. The two major items being worked on starting next week. Is an upgrade to the Water meter and water line from the B.P.S.U.D. hwy lines. The other is the install and connection of the sewer line & grinder pump.

As I stated in the last bulletin, monies are starting to get very tight, If there are any Members who would like or need a tax deduction, I cannot think of a better cause. Donations can be sent to: P.O. Box 1407 Crystal Beach, TX. 77650 Please note the word DONATION on your check. Any questions contact the Aerie Secretary Gregory McDaniel at 409-684-3719.

We have had some response, which is greatly appreciated

### 2. Other

Our next Aerie meeting will be on Saturday August 21<sup>st</sup> at the AARP building, Officers meet at 1:00 pm and membership at 2:00 pm. Followed by a joint officer meeting @ 3:00pm on 8/21/2010, at which time we will be able to set a open date for the new Aerie hall. Watch for your newsletter from the Aerie.

Our last officer meeting with the contractors ran over into the general meeting back on July 24<sup>th</sup> , taking away slotted time for new members to be initiated.

If you need to be initiated please show up at the 2:00pm meeting on August 21<sup>st</sup>.

This will be my last bulletin, I hope it has served it's purpose. Be sure you are getting your monthly newsletter. Once the building is completed responsibility for maintaining the building and all equipment to include hiring of bar attendants, stocking etc. will revert back to the trustees.

I hope everyone takes the time to visit the new Aerie Hall. I think you will be pleased at the way it has been done.

Until Next Time Be Safe

Worthy President - Jerry Mathis – Aerie 3719
