## President News Bulletin #2

The purpose of this bulletin is to keep the Aerie members informed of the rebuilding process of our hall and other matters pertaining to the Aerie.

### 1. Construction:

The building is up and windows, doors and stud walls are going in at this time. Next, the electrical & plumbing will be roughed in.

All bids are in and the building committee has made the decision as to who will be awarded the bids.

Hopefully by the next bulletin we will have a timetable for completion.

### 2. Finances:

We have received our first disbursement from SBA in the amount of \$200,000.00. The money was direct deposited into the building fund bank account. After the deposit construction bills have been paid to date.
